HEINRICH KAMMLAH HOUSE
Fredericksburg, Gillespie Co., Texas.

Owner: Heinrich Kammlah, 3rd.

Date of Erection: 1846-50

Architect: Unknown

Builder: Heinrich Kammlah

Present Condition: Good

Number of Stories: One and one half.

Materials of Construction: Native limestone, oak, cypress and pine.

Other Existing Records: None

Additional Data:

The house is practically "U" shaped in plan, with a patio containing a well opening to the East. The front portion is one story with a high attic, built of half timber and stone, stuccoed on outside and plastered on inside. Wing in rear is one story; it is built of stone. Roof pitch over main portion of the house is about eight to twelve; roof is covered with cypress shingles. House contains both casement and double hung windows. Porch floor is of flagstone.

The fourth generation of the original owner and builder is now living in the house, each generation having a son named Heinrich.

The above information is credited to Lee C. Kiehne, deceased, who prepared the original HABS index card.
